Gladness comes with a better understanding of the transient nature of the many physical ills which vanish before proper efforts—gentle efforts—pleasant efforts—rightly directed and assisted by the pleasant laxative remedy Syrup of Figs and Elixir of Senna.

Its beneficial effects are due to the fact that it is the one remedy which promotes internal cleanliness without debilitating the organs on which it acts. To get its beneficial effects always buy the genuine manufactured by the California Fig Syrup Co.

## SUSSEX CIRCUIT COURT CONVENES

Judge West Enters Upon His New Term of Office.

[Special to The Times-Dispatch.]  
Sussex Circuit Court, Judge Jesse F. West presiding, convened yesterday with his new term of office, at eight o'clock, as judge of the Third Judicial Circuit, to which he was recently elected by the Legislature. The first order entered was a certificate of his qualification, which was recently received before Judge Mullin of the Hastings Court of the city of Petersburg.

This was the day for the regular March term of the court, but on account of the fact that the Legislature within the past few days has changed the date of the courts in Sussex, Judge West convened the court in special term.

This being the first session of the court since the court was on the circuit and handsomely furnished and improved, R. F. Moss, a prominent citizen of Sussex, asked leave to present to the court, for future use in the new court room, a handsomely carved gavel made of wood from a live oak tree which grew on lands upon the Courthouse Square, and also a beautifully bound copy of the New Testament.

Mr. Moss presented them as a token of his loyalty to his native county and of his great faith in his future development and progress. He spoke feelingly of his devotion to his home county, and the pride he feels in every effort which tends to place his county in front rank among sister counties in the State.

**FIVE BOX CARS DERAILLED.**  
Wreck on the Norfolk and Southern Near Princess Anne.  
[Special to The Times-Dispatch.]  
Princess Anne, Va., March 2.—A wreck occurred on the Norfolk and Southern Railway near Princess Anne, Va., this afternoon at 2:30 o'clock. Five box cars were derailed, several being badly injured. The passengers, however, were not injured, and about twenty passengers were aboard, none of them injured.

Captain Bonner, who had been on the train, was thrown from the end of one of the cars. The wreck occurred at a point about one mile from the station, on a swampy tract, and the cars fell over an embankment. A wrecking train was telegraphed for.

**ATTEMPT TO WRECK TRAIN.**  
Timber and Railroad Ties Piled on Track by Unknown Persons.  
[Special to The Times-Dispatch.]  
Pamplin City, Va., March 2.—About 12:30 o'clock Saturday, a serious attempt was made to wreck a train by piling timber and railroad ties across the track. A serious accident was averted due principally to the fact that the train which hit the obstacle had slowed down at the station, and the engine and cars were stopped before the wrecking train was telegraphed for.

**CONVERTS HIS FAMILY.**  
Educated Chinese Writes That He Was Received With Open Arms.  
[Special to The Times-Dispatch.]  
Lynchburg, Va., March 2.—Lu Su Ben, a Chinese, who has been in the city since the Virginia Christian College and was disowned by his family, which is one of standing, not far from Canton, China, and who returned home last autumn to do missionary work, has just received here that his family not only has received him with open arms, but has already embraced Christianity.

Mr. Ben was very popular in Lynchburg, and his five sons stay here, and there are few pupils in the city that he has not spoken from.

**ASKS FOR \$10,000 DAMAGES.**  
Miss Maude Allison Brings Suit Against City of Fredericksburg.  
[Special to The Times-Dispatch.]  
Fredericksburg, Va., March 2.—Allison against the city of Fredericksburg for alleged damages sustained by her some months ago by stepping through a bridge at one of the crossings of the streets, will come up in the corporation court here on March 10.

The amount of the claim is \$10,000. A jury has been summoned from Stafford county to try the case. Mr. George H. Fitzhugh will represent the city, and W. W. Butzner and G. B. Wallace are counsel for Miss Allison.

Jas. T. Lowry, a dry goods merchant of this city, is critically ill at his home.

**Plant Shut Down for Repairs.**  
[Special to The Times-Dispatch.]  
Lynchburg, Va., March 2.—The entire plant of the Lynchburg Cotton Mill is down this week; the work being stopped in order to make necessary repairs to the boiler room. It is expected that all of the 100 operatives will be back at their places Monday morning.

## Not Sisters

Now and again you see two women passing down the street who look like sisters. You are astonished to learn that they are mother and daughter, and you realize that a woman at forty or forty-five ought to be at her finest and fairest. Why isn't it so?

The general health of woman is so intimately associated with the health of the essentially feminine organs that there can be no red cheeks and round form where there is female weakness.

Women who have suffered from this trouble have found prompt relief and cure in the use of Dr. Pierce's Favorite Prescription. It gives vigor and vitality to the organs of womanhood. It clears the complexion, brightens the eyes and reddens the cheeks.

No alcohol, or habit-forming drugs is contained in "Favorite Prescription." Any sick woman may consult Dr. Pierce by letter, free. Every letter is held as sacredly confidential, and answered in a plain envelope. Address: World's Dispensary Medical Association, Dr. R. V. Pierce, Pres., Buffalo, N. Y.

## PRISONERS MAKE ESCAPE FROM JAIL

Crawled Through Sewer and Used Poker to Remove Bricks.

[Special to The Times-Dispatch.]  
Manassas, Va., March 2.—Toliver L. McInteer, young white man, charged with attempting to kill his brother, J. P. McInteer, and Lewis Riley, a negro, charged with housebreaking, escaped from the Prince William county jail early this morning, and thus far have not been recaptured.

Sheriff F. C. Rorabaugh endeavored to trail the escaped men this morning with a bloodhound, owned by Robert Bibb, of this place. The dog carried the trail to the railroad canal, just out of town, but lost it there, and it is almost certain that the fugitives boarded a train some time during the night, and made good their escape.

The prisoners had been confined in cells on the ground floor of the jail, and the manner of escape of both from the cells was the same, it is evident that the escape was planned some time ago. They escaped from their cells by crawling through to the sewer, which the jailer is supposed to have neglected to seal, and then removed a number of bricks from the outer wall of the jail with a heavy iron stove poker, and so escaped.

Evidently with an idea of gaining time, McInteer had no arranged his bed as to give it the appearance of having a man sleeping in it, and so deceiving his appearance that Jailer Cornwall, going into the jail this morning, upon his usual rounds, he was surprised to find the prisoner lying in his bed. Receiving no reply, Mr. Cornwall opened the cell door, and found the bed unoccupied.

McInteer, who comes of a well-known family at Manassas, is a former convict, having served two terms in the penitentiary. He was out on parole when arrested a short time ago upon a charge of shooting at his brother, J. H. McInteer, with intent to kill, and later a charge of violating the terms of his parole. He was preferred against him. His friends, believing him to be insane, had him examined about a month ago by Dr. DeJarnette, superintendent of the Central State Hospital for the insane, who pronounced him a dangerous lunatic.

Subsequently a lunacy commission, composed of a magistrate and two physicians, adjudged him insane, and ordered him removed to the asylum at Staunton, but the Circuit Court refused to allow him to be under indictment for a criminal offense.

At the time McInteer was examined by Dr. DeJarnette he was out on bail, but the opinion of the physician as to McInteer's mental condition so alarmed his bondsmen that the man was surrendered and confined in jail. J. H. McInteer is also under indictment, charged with shooting Robert L. McInteer with intent to kill.

The latter carried in his head for several weeks a bullet fired from a revolver in the hands of J. H. McInteer.

**N. & S. Erecting Big Warehouse.**  
[Special to The Times-Dispatch.]  
Newport News, N. C., March 2.—Local contractors are erecting for the Norfolk and Southern Railway Company on the New River between the Norfolk and Southern warehouses, 134 feet long and 61 feet wide. The foundations are completed, and are of reinforced concrete, and will have a capacity of 1,000 tons.

**NEW TRIAL DENIED THAMES.**  
Prisoner Sentenced to Two Years' Confinement in Penitentiary.  
[Special to The Times-Dispatch.]  
Boynton, Va., March 2.—The Circuit Court of Mecklenburg was engaged Monday in the hearing of the motion made on Friday by J. W. Thames for a new trial. The motion was barred on two grounds, first that the verdict was contrary to the law and the evidence, and secondly because of the misconduct of N. C. Wood, one of the jurors, during the progress of the trial.

After hearing all the evidence and the argument of Judge Horney in support of the motion, Judge Barksdale declined to set aside the verdict, and sentenced the prisoner to two years' confinement in the penitentiary. Exceptions were noted and execution of the judgment of the court was suspended for sixty days to enable the prisoner to apply to the court for a writ of error. Application for bail was denied and the prisoner was committed to jail.

**SUPREMACY COURT OPINIONS.**

## SPRINT FIRM RECOVERS.

Brought Action to Enforce Carrying Out of Cotton Contract.  
Wilmington, N. C., March 2.—United States Circuit Court Judge Braxley, at Florence, S. C., today, after hearing the testimony, directed a verdict for the plaintiffs in a suit brought by the Sprint Cotton Seed, exporters, of Wilmington, against the Hurst-Street-Cotton Company, of Cheraw, S. C., for between \$6,000 and \$7,000, the difference between the price of the cotton which the defendants had contracted and failed to furnish October 1 at 10 cents per pound, and the price of the cotton which the defendants contracted to furnish under the State law prohibiting dealing in futures, but the court held that in the absence of any clause providing for a settlement of any differences upon expiration other than delivery of spot cotton the contract was void. This was the first of many suits brought in State and Federal courts by this firm in the Carolinas and Georgia.

## VIOLATED ELECTION LAW.

Former Councilman Burcher Pleads Guilty and Is Fined \$100.  
[Special to The Times-Dispatch.]  
Newport News, N. C., March 2.—Former Councilman Burcher appeared in the Corporation Court today and through counsel pleaded guilty to a violation of the Barksdale election law and paid the minimum fine of \$100.

Burcher was indicted for giving J. P. Fraley a note for \$75 to use in the race for the Democratic nomination for constable in favor of Ernest C. Cox. Cox was found guilty of permitting Burcher to buy Fraley out and fined \$200 several days ago. A motion to set aside the verdict in the Cox case is now pending.

## FREIGHT WRECK ON S. A. L.

Train Derailed and Traffic Tied Up for Eight Hours.  
[Special to The Times-Dispatch.]  
Wadesboro, N. C., March 2.—An extra freight train, southbound, on the Seaboard Air Line Railroad, was derailed last night four miles west of Wadesboro, and traffic was tied up for eight hours. The trainmen escaped injury. Eight cars were derailed and five of them almost totally demolished. The track was badly torn up. A wrecking crew opened the track for trains at 6 o'clock this morning.

## COMMON COUNCIL HOLDS MEETING

Agrees to Annual Appropriation for Tuberculosis Hospital.

## DEATH OF FORMER CITIZEN

Episcopal Clergy and Laymen Consider Church Extension.

[Times-Dispatch Bureau.]  
Petersburg, Va., March 2.—The Common Council held its monthly session last evening, making the regular departmental appropriations and some special orders of business. An ordinance, reported from the Street Committee, regulating the speed of automobiles in the city was passed after much discussion. It allows automobiles a speed not greater than that of the sidewalks in the city. The ordinance also provides for the payment of fines for violations of the ordinance. The ordinance also provides for the payment of fines for violations of the ordinance.

Another ordinance reported from the Street Committee and also passed, prohibiting the riding of bicycles on any of the sidewalks in the city. The ordinance also provides for the payment of fines for violations of the ordinance. The ordinance also provides for the payment of fines for violations of the ordinance.

The City Treasurer's report shows cash receipts in February of \$12,195 and the Auditor's report shows expenditures for the month of \$12,287. The expenses include outlay in public improvements now in progress.

The Public Property Committee, which had under consideration the proposal of the Petersburg Investment Corporation to purchase the city almshouse for \$30,000, reported the matter to the Council without recommendation, and the Council after some discussion, referred it back to the committee. It was stated by Capt. M. C. Jackson, representative of the Investment Corporation, that the \$30,000 offered by the company for the property was the smallest part of the consideration. The company desires to build a boulevard 100 feet wide from the West end of the almshouse to the bridge, through the property, and to build handsome residences, each dwelling to have a frontage of 100 feet. The company expects to spend \$100,000 in improvements in the city. The almshouse tract embraces about 200 acres and is a valuable property.

**Tuberculosis Hospital.**  
President Patterson offered a resolution in the Council last evening, reciting that: Whereas, it is proposed by the citizens of Petersburg to build a tuberculosis hospital in the city, and whereas, it is believed that such hospital would result to the good of the health of our community; therefore,

Resolved, That it is the sense of the Council of the city that said hospital should be maintained by the city, and the Finance Committee be and it is hereby directed to include in its budget for July, 1916, and in each annual budget hereafter, an appropriation of \$1,500 for said purpose. The resolution was unanimously adopted.

It is understood that, appreciating the great need of such hospital, the citizens of Petersburg have been contributing by philanthropic citizens. It is to be a real charity, nothing being charged for the admission and care of patients. It will be open to men and women suffering from the disease, and it will be a real charity, nothing being charged for the admission and care of patients.

**Episcopal Church Extension.**  
A meeting of clergymen and representative laymen of all the Episcopal churches in the city, was held last night at St. Paul's Church, for the purpose of discussing the proposed extension of the church. The meeting was held at St. Paul's Church, for the purpose of discussing the proposed extension of the church.

Seven Plants in Vicinity of Charlotte to Work on Short Time.  
[Special to The Times-Dispatch.]  
Charlotte, N. C., March 2.—Seven more cotton mills in this immediate section have joined in the curtailment plan, for which Charlotte mills set the pace Monday morning. These are the Moore and Webb at Dallas, the Modena Mills at Hudson, and the Whitley, Lenoir and Moore Mills at Lenoir. The Modena Mills plan to shut down one day each week during March, and two days each week thereafter. To-night it is announced that Acker and Gastonia Mills at Gastonia will next week begin curtailment of two days weekly.

**Steamship Breaks to Pieces.**  
Beaufort, N. C., March 2.—The British steamship Arrow, which stranded on a coast near here several days ago, has broken into three sections, and the cargo is being removed. Captain Lawrence has left for Norfolk.

## JEFF. DAVIS' WORDS STAND IN RECORD

Committee Refuses Arkansas Senator Permission to Change His Evidence.

## HAD ADMITTED "GOOD FEE"

He Is Attorney for Levee Board, Which Is Seeking Legislation.

Washington, D. C., March 2.—Senator Jeff. Davis, of Arkansas, failed today in an effort to have stricken from the records of the House Committee on Public Lands a statement which he made before the committee several days ago, when he appeared there in advocacy of a bill introduced by Representative Oldfield, of Arkansas, quieting title to about 100,000 acres of swamp lands in the eastern part of Arkansas, known as "sunk lands."

Senator Davis's statement was to the effect that he was to receive a fee for his services as attorney for the St. Francis levee board in litigation in connection with the lands. The lands in dispute are claimed in part by the United States, the St. Francis levee board and private individuals.

It has been admitted by Senator Davis that he was attorney for the St. Francis levee board of the State of Arkansas, which claimed title to the lands under a State grant, and for which board he brought suit against a number of persons who held cut timber on the lands. The land was sold in many cases, it is stated, for \$150 an acre, but the timber was reported to be worth from \$10 to \$25 per acre.

In his first appearance before the committee, the records showed that Senator Davis made the following statement:

"We could not prove our title. I confess that there is just that much selfishness in it to me, because there is a good fee if I can recover the price of that timber. I do not care who it goes to, whether it goes to the State of Arkansas or the St. Francis levee board, but I would rather have it go to the St. Francis levee board because that is just and right."

In correcting his testimony, Senator Davis struck the words "because there is a good fee if I can recover the price of that timber." "Because I am the attorney for the St. Francis levee board for the recovery of this timber."

Senator Davis asserted before the committee that he had not used the words attributed to him, but several members of the committee disagreed with him and declared that he did make the statement.

Following the Senator's appearance before the committee today the members held an extended executive session and finally voted by practically unanimous vote that they would not allow Senator Davis to make the change desired. It was held that no one had a right to change the records of the committee further than to make necessary changes in verbiage.

Senator Clarke, of Arkansas, also appeared before the committee today and declared that Senator Davis had misrepresented him before the committee at the previous hearing, when he stated that he (Clarke) was in favor of the bill. Senator Clarke declared that he was opposed to the bill.

**Oldfield Not Sponsor.**  
Representative Oldfield said regarding the bill:

"I introduced the bill in question at the request of United States Senator Davis, and had no interest whatever in the matter. I have not at any time stood sponsor for the measure."

During Senator Davis's appearance before the committee today Representative Robinson, of Arkansas, a member of the committee, inquired:

"Is this a contingent fee?"

"I have an absolute as well as a contingent fee," replied the Senator.

Representative Pickett: "Does the contingent fee involve favorable consideration by Congress?"

Senator Davis: "I can't say. If the title is conferred upon the State of Arkansas, it gives the levee board a much better standing."

It is said the St. Francis Levee Board is a State board appointed by the Governor of the State of Arkansas. The board bases its claim to the land on a grant from the State, which received its title from the Federal government under the swamp act of 1859.

**Authorizes \$300,000 in Bonds.**  
Washington, D. C., March 2.—After brief general discussion, the Senate today passed the bill authorizing the issuance of \$300,000 worth of certificates of indebtedness for the completion of irrigation projects of the government, already under way.

The bill is intended to supply sufficient money to finish these works, and it is contemplated that the certificates will be sold here by money derived from the sale of the lands redeemed by the improvements.

Senator Clay, of Georgia, spoke in opposition to the principle involved rather than against the bill itself. He predicted that the time would come when a direct appropriation of \$300,000 or \$500,000 would be necessary to carry on the reclamation work.

Mr. Clay then referred to Senator Aldrich's statement that if he were running the government he could reduce expenditures by \$100,000,000. Mr. Clay expressed doubt as to Mr. Aldrich's ability to do as much as he had intimated.

**Join Hands for Economy.**  
Washington, D. C., March 2.—Several Republicans and Democrats joined hands under the banner of economy in the House today when Representative Mann, one of the most conspicuous economists in the body, championed an appropriation of \$500,000 for the construction of two revenue cutters for the coast of Florida to take the place of old-time craft. The bill was finally passed.

"This is not the time for Congress to make an unnecessary appropriation," exclaimed Representative Underwood, from the midst of the Southern Democrats.

The administration, as well as the House, is trying to keep down expenditures. "I should back Chairman Tawney," claimed that the Appropriations Committee had assurances from the Treasury Department that it would be informed when more revenue cutters were mandatory.

Mr. Tawney insisted upon a roll call upon his motion to strike out the language which would have been lost, 134 to 114.

Upon motion of Representative Hughes, of New Jersey, the bill was amended to provide for the construction of these vessels under the eight-hour law.
